

2008-2009 IASF Cheer Rules

GENERAL SAFETY RULES AND ROUTINE REQUIREMENTS

1. All athletes must be supervised during all official functions by a qualified director/coach.
2. Coaches must require proficiency before skill progression. Coaches must consider the athlete, group, and team skill levels with regard to proper performance level placement.
3. All teams, gyms, coaches and directors must have an emergency response plan in the event of an injury.
4. **Athletes and coaches may not be under the influence of alcohol, narcotics, performance enhancing substances, or over-the-counter medications while participating in a practice or performance that would hinder the ability to supervise or execute a routine safely.**
5. Athletes **must** always practice and perform on an appropriate surface.
6. Soft-soled shoes must be worn while competing. No dance shoes/boots, and/or gymnastics slippers (or similar) allowed. Shoes must have a solid sole.
7. Jewelry of any kind including but not limited to ear, nose, tongue, belly button and facial rings, clear plastic jewelry, bracelets, necklaces and pins on uniforms are not allowed. Jewelry must be removed and may not be taped over. (Exception: medical ID tags/bracelets, and uniform rhinestones. Rhinestones are not allowed when adhered to the skin as opposed to a uniform. Temporary tattoos are also allowed.)
8. Any height increasing apparatus used to propel an athlete is not allowed. (Exception: spring floor)
9. Flags, banners, signs, pom poms, megaphones, and pieces of cloth are the only props allowed. Props with poles or similar support apparatus may not be used in conjunction with any kind of stunt or tumbling. All props must be safely discarded out of harms way (e.g. throwing a hard sign across the mat from a stunt would be illegal). Any uniform piece purposefully removed from the body and used for visual effect will be considered a prop.
10. Casts that are hard and unyielding or have rough edges must be appropriately covered with a padded material. *Clarification: The appropriately padded material must be such that it protects both the athlete and fellow athletes from injury.*
11. On the level grid, all skills allowed for a particular level encompass all skills allowed in the preceding level.
12. Required spotters for all skills must be your own team's members.
13. Drops including but not limited to knee, seat, thigh, front, back, and split drops from a jump, stunt, or inverted position are not allowed unless the majority of the weight is first borne on the hands or feet, which breaks the impact of the drop. Shushinovs are allowed.
14. Competition routines shall not exceed 2 minutes and 30 seconds.
15. Athletes must have at least one foot, **hand or body part (other than hair)** on the performing surface when the routine begins. **Exception: Athletes may have their feet in the hands of base(s) if the base(s) hands are resting on the performing surface.**
